

U.S. Special Operations Command Parachute Team – “The Para-Commandos”

MCAS Miramar 2026

Fri-Sun Jump Pass 2 ANTHEM

At the beginning of our time block begin introduction.

Ladies and Gentlemen,

Please direct your attention 5,000 feet above the show line as we welcome the jumpers from the U.S. Special Operations Command Parachute Team, The Para-Commandos!

The Para-Commandos are SOCOM’s premier aerial parachute demonstration team. They perform at high visibility events across the Nation, informing the public about the Command's mission, and the contributions that 70,000 plus Soldiers, Sailors, Airmen, Marines, Guardians and Department of Defense Civilians are making across the United States and in more than 70 countries around the globe.

U.S. Special Operations Command oversees all U.S. Department of Defense Special Operations Forces, including U.S. Army Rangers and Special Forces, U.S. Navy SEALs, U.S. Marine Corps Raiders, and U.S. Air Force special operators, and is based at MacDill Air Force Base in Tampa, Florida.

(As soon as U.S. Flag Jumper deploys smoke) this will happen under canopy at 2,000 ft AGL. Several other jumpers will deploy smoke off of the ramp upon exit not to be confused with the U.S. flag jumpers initiation.

Ladies and Gentlemen, please rise and remove your hats for the playing of our National Anthem!

(After Anthem completion)

You can follow the team on Facebook and Instagram using keywords SOCOM Parachute Team and SOCOM Para-Commandos, or visit www.socom.mil.

Ladies and Gentlemen, please welcome the Para-Commandos to Ft Lauderdale Air Show!
